

The Equality Act bill passed the House of Representatives in 2019 and is slated to now go to the Senate.

Summary

The Equality Act attempts to establish into law the perverse desires of the LGBTQ community to increase their liberties in society and obligate the greater public to conform. The bill seeks to garner liberties for the LGBTQ under the cover of amending the Civil Rights Act of 1964 text which reads – “protections against discrimination based on race, color, religion, sex, or national origin” by changing sex to mean “sex (including sexual orientation and gender identity)”. **By amending the Civil Rights Act, the LGBTQ community is attempting to circumvent the public voting process by pushing the bill through Congressional, Senate, and Presidential approval.**

EQ1: The bill seeks to re-attempt opening the doors of perversion mandating access to public restrooms and locker rooms, of their choosing, to individuals based on their gender identity without consideration of their sex at birth.

EQ2: The bill prevents a Believer in Yeshua from challenging the Equality Act by using the Religious Freedom Restoration Act of 1993 (which prohibits a law being put into place that burdens a person’s exercise of religious freedom). This will affect Believers in Messiah in regards to 1) their individual rights, 2) how they operate their business and 3) ministry fellowships (churches) in who they hire and in regards to programs and services they provide.

EQ3: The bill establishes as unlawful any attempts to provide “conversion therapy” to an LGBTQ person to help them break free of this demonic oppression. The bill considers helping a person change from an LGBTQ sexual orientation or identity through prayer, counseling, or other religious means as harmful and ineffective. This basically says a person can’t be transformed from a perverted identity and will always be sinful and carnal. This is a lie which the promoters of the bill are working to establish as law. Note: prayer, counseling, and helping a person break free from demonic spirits of perversion is miss-identified under the banner of “conversion therapy”. This is salvation through the blood of Yeshua by the redemptive transforming power of the Ruach HaKodesh in proclaiming the Gospel of Yeshua.

EQ4: The bill attempts to further open children to perversion through pushing sexual orientation and gender identity into public education and increasing access of LGBTQ individuals to child adoption services. This would affect Christian schools, Believers in Messiah in public school environments, and Christian organizations which offer and support child adoption services and foster care.
