

Love Letter

Dear Fellow Heirs, Blessed Be He!

During these days of trial set before us by the Ruach HaKodesh (Lu 4:1-2) we should call, text, email one another with psalm and hymns and spiritual songs; each of us can use encouragement to carry out the Lord's assignment holding fast to our commitment. Remember, the Holy Spirit is the special power of Yah given for our assignment, (Luke 4:18) now allow Him to remove all fear, hesitation and self-will. (2 Tim 1:7)

Fasting is another weapon of intimacy with our Lord, permitting the Spirit of Reality to permeate us, enabling His holy presence to reveal the true meaning of our lives. Do not be troubled Saints; these trials are preparing us for the supernatural.

Adonai, alone is our Sustainer and our Comforter (Acts 9:31) not the food god that we had given an intimate place in our hearts. Keep G-d's Word before you, (Ro 15:4) it will bring you closer to the goal of perfection.

Remain steadfast and say these words:

*“I'm full of power, the Spirit of Adonai;
I can withstand this trial because my G-d is with me and He cares for me,
He wants the best for me, and He believes the best of me”.*

*Love you all,
Pastor*
